

> Addressing the latest challenges on REACH and enforcement issues

REACHLaw and Mourao Henrique will be hosting a seminar addressing the critical issues, business impact and the way ahead for companies with REACH registration deadline specially in 2010.

What is the current status of REACH implementation? How to create a substance specific action plan for your company? what are the key issues for Non EU manufacturers? What are the latest news about enforcement? What is coming next?

Please note that registration work will start sooner than anticipated: the Downstream Users have the legal right to make their uses known 12 months prior to the relevant deadline. (i.e. 30.11.2009)

Below you will find the relevant information for the seminar incl date, topic and venue.:

Date: 9th of November:

Place: Sao Paulo. **Conselho Regional de Quimica** – CRQ IV Regiao. Rua Oscar Freire, 2039, Pinheiros. Sao Paulo, SP. CEP. 05409 – 011.
